Request For Bid
Brocade ICX6610 & ICX6450 Series Ethernet Switches
Central Wyoming College

ARTICLE I - General Conditions and Requirements

NOTICE IS HEREBY GIVEN that Fremont County Community College District, operating as Central Wyoming College (CWC) is requesting bids for the purchase of Brocade ICX6610 & ICX6450 Series Ethernet Switches and associated equipment. The Chief Information Officer of the college will receive bids in Room MH 210A, 2660 Peck Avenue, Riverton, Wyoming 82501, until 3:00 pm MDT, Friday, May 17, 2013. Late bids will not be accepted. Bids shall be sealed and clearly marked "Brocade ICX6610 & ICX6450 Series Ethernet Switches Bid". Bids will be opened and read publicly shortly after 3:00 pm MDT in MH 210A. A contract will not be awarded until CWC has reviewed the bids and authorized negotiation of contract.

RFB documents can be obtained at the Central Wyoming College Office of the Chief Information Officer located in Main Hall, 2660 Peck Avenue, Riverton, Wyoming 82501, or by calling Kelly Dempster, Assistant to the CIO, at 307-855-2196, or at http://www.cwc.edu/rfp .

The college reserves the right to reject any and all bids and to waive any irregularities, formalities, or informalities in the bid process, and to award the bid as may be in the best interest of the college.

1. SUBMISSION OF BIDS: It is the responsibility of the bidder to carefully examine the Request for Bid document and be familiar with all of the requirements, stipulations, provisions and conditions. All changes, additions, or clarifications to the RFB documents will be done with a numbered addendum. Vendors wanting to receive notification of any issued addenda must email the Office of the CIO (cio@cwc.edu) with that request. No bids will be considered in which any of the conditions or provisions have been modified. No oral or telephone interpretations of the bid documents shall be binding upon the College. Bids received after the time and date specified will not be considered and will be returned unopened to the firm. FAX AND EMAIL BIDS WILL NOT BE ACCEPTED.

One (1) copy of each bid is to be submitted to:

Mr. John Wood, Chief Information Officer
c/o Kelly Dempster, Assistant to the CIO
Central Wyoming College MH210A
2660 Peck Avenue
Riverton, WY 82501

no later than 3:00 pm, local time, on Friday, May 17, 2013. Bids shall be sealed and clearly marked **"Brocade ICX6610 & ICX6450 Series Ethernet Switches Bid"**.

2. SURETY:

Bid Bond: None required.

3. CONTRACTOR PREFERENCE: Bidders are advised that the resident contractor preference and State of Wyoming materials preference statues contained in Wyoming Statutes Sections 16-6-102 and 16-6-106 and related statutes may apply to the submitted bids to the extent required by law. Because of the nature of this RFB, the extent and the manner to which statutes apply will be considered and evaluated with respect to each responsible bid submitted. Those bidders claiming Wyoming residency should include a copy of their Wyoming Certificate of Residency.

4. ACCEPTANCE PERIOD: All bids shall be firm for a period of sixty (60) days from the date bids are due.

5. AWARD OF BID: Award of bid is contingent upon available funding and official approval. This bid cannot be assigned or transferred without the written consent of CWC. Where terms conflict between the RFB and vendor's response, provisions contained within this RFB take precedence.

Minority business enterprises will be afforded full opportunity to submit a bid and to contract with the college and will not be subject to discrimination on the grounds of race, creed, national origin, sex or disability in consideration for an award.

By submitting a bid, the firm certifies under penalty of perjury that it has not acted in collusion with any other firm.

6. PROPERTY OF THE COLLEGE: Bids submitted as a response to this RFB shall become the property of the College. Such bids, as property of the College, are subject to public disclosure as prescribed by Wyoming statutes. Proprietary information must be identified and will be protected to the extent allowable by Wyoming law.

7. CONSIDERATION OF BIDS: Central Wyoming College seeks vendors that will act as partners to the college in providing local Ethernet switching that will help us in efficiently fulfilling our mission as a public community college in the State of Wyoming. The college also reserves the right to purchase products from other vendors at any time should we determine doing so is in the best interest of the college. In awarding the vendor of this RFB cost is only one factor in our evaluation. Total cost of ownership over the expected lifetime of this equipment is important to the college, and this includes many factors, some of which are historical repair frequencies of the manufacturer, terms of service contracts, and ability of college personnel to efficiently contact manufacturer help desks and vendor technical support personnel, and order replacement parts. In all cases we require the ability to contact the customer support representatives of the manufacturer directly without having to work through any third-party vendors.

Specifications and Bid Sheet
Brocade ICX6610 & ICX6450 Series Ethernet Switches

Specifications

QTY	Brocade Part Number	Description	Non-Brocade Substitution*
3	ICX6610-PREM-LIC	Upgrade for 6610 to premium OS	No
3	ICX6610-10G-LIC-POD	Licensing for 4 ports on 6610 to 10G (qty 3x4=12 total ports)	No
2	10G-SFPP-LR-8	Long Range Singlemode 10G GBIC 8-pack (qty=2 * 8 = 16 total GBICS)	Yes*
4	10G-SFPP-SR	Short Range Multimode 10G GBIC	Yes*
4	10G-SFPP-LRM	Long Range over Multimode 10G GBIC	Yes*
2	ICX6610-48-E	48 port 1G RJ45, plus 8 x 1G SFPP uplink ports (upgradeable to 10G). 4 x 40G stacking ports. Exhaust air flow. Base S/W	No
2	RPS15-E	250W Power supply for ICX6610 non PoE SKUs. Exhaust airflow	No
2	ICX6610-FAN-E	Redundant fan for 6610	No
2	ICX6610-RMK-4P	4 post rack mount kit for 6610	No
2	40G-QSFP-C-0501	40G 5 meter 6610 stack cable	No
10	ICX6450-48P	ICX6450 48 port POE	No
16	ICX6450-48	ICX6450 48 port	No
3	10G-SFPP-TWX-0101	SFPP Cable 1meter 8 pack (qty=3 * 8 = 24 cables)	No
1	10G-SFPP-TWX-0301	SFPP Cable 3 meter 8 pack (qty=1 * 8 = 8 cables)	No
12	ICX6400-EPS1500	External Power Shelf for 6450	No
5	ICX6450-2X10G-LIC-POD	Licensing for 2 ports on 6450 to 10G (qty=5 * 2 = 10 total ports)	No

* Substitution: All products must be new product manufactured by Brocade Communications Systems, Inc. Except:

10G-SFPP-LR-8
10G-SFPP-SR
10G-SFPP-LRM

These GBICS must be new product, but may be manufactured by a company other than Brocade. Their manufacturer must be an approved Brocade partner, function in a compatible way to the part number listed, and must appear in all "show" commands in the Brocade IOS as Brocade manufactured.
