Dr. Jo Anne McFarland, President  
Central Wyoming College  
2660 Peck Avenue  
Riverton, WY 82501

Dear Jo Anne,

I am not sure what Central Wyoming College will do without you. I do know that under your leadership, the college has established itself as a front runner in community and traditional post-secondary education. It is top tier in technical and academic offerings. It is an integral part of Wyoming higher education and a point of pride for Fremont County. That's good work and hard work, Jo Anne.

Congratulations on your retirement. Enjoy yourself and thank you for 25 years of service.

My best,
