RE: CWC President Search Progress Report (Progress Report #6)

DATE: April 25, 2014

I am pleased to report that the board is ready to finalize its decision to name a new president to succeed retiring president, Dr. Jo Anne McFarland. I have called for a special CWC board meeting to be held on Tuesday, April 29, at 6 p.m. in the Intertribal Center Wind River Room for that purpose. After the call to order, the board will recess into executive session to discuss personnel, after which the board will reconvene the public meeting to take formal action. No other business will be transacted during this special meeting.

As further plans emerge, I will report back to you with additional details relating to this exciting presidential transition. Thanks, again, for your interest and participation in this process.
